

DAVID S. GILLIAM

OBJECTIVE

My primary objective is to spend my life doing long division and reaping the many rewards that come from spending hours trying to solve a math problem just because it is hard to solve.

EXPERIENCE

1990-present	Professor, Texas Tech University
1993-1994	Visiting Professor, University of Texas at Dallas
1992	Visiting Professor, Washington University
1989-present	Affiliate Professor, Washington University
1984-1990	Associate Professor, Texas Tech University
1978-84	Assistant Professor, Texas Tech University
1988	Visiting Associate Professor, Arizona State University
1985-86	Visiting Associate Professor, Colorado School of Mines
1981-82	Visiting Assistant Professor, Arizona State University
