Entering Credentialing Information
SACS – Other Qualifications

If a faculty member, instructor or GPTI does not have the academic credentials identified in Texas Tech University OP 32.36, which is closely aligned with SACS standards, the department must document the instructor of record has sufficient alternative credentials to prove he/she is qualified to teach the course and provide a rationale for why alternative credentials qualify the faculty member to teach the course.

General Information > SACS – Other Qualifications Screen

Click on

1. Academic Year: 2013-2014
2. A Justification Statement is usually written by the Chair of the department. You can copy/paste it in the Text Box provided.
3. **Enter at least 18 hours of graduate credit in teaching field:**
4. Relevant Graduate Coursework
