Grading: The grading will be based on the following.

1. Homework: 60%
2. Mid-Term (take home) 25%
3. Final (take home) 15%

Home work will be given a definite due date. Late homework will not be accepted without a legitimate excuse (illness, etc.) Do the best you can by the due date. The deadline is 5 p.m. on the due date. The same rules apply to the take home exams.

Students are encouraged to collaborate on the homework. The problems on the take-home exams may be discussed with other students, but each student must write up their own solutions.

Accommodations for Disabilities: Any student who, because of a disability, may require special arrangements in order to meet course requirements should contact the instructor as soon as possible to make necessary accommodations. Students should present appropriate verification from Disabled Student

Services, Dean of Students Office. No requirement exists that accommodations be made prior to completion of this approved University process.

Religious Holy Days: A student may be absent from class for a religious holy day, as legally defined, and will be allowed to make up any missed examination or assignment within a reasonable time after the absence. You must notify me within the next week of any scheduled class days on which you will be absent for a religious holy day.
