

## MATH 5399-001 FINAL PROJECT DUE 12 MAY

Before 7 pm on 12 May send me your Macaulay 2 package that

- (1) Implements the functions from homework due on April 15 and 25 about simplicial complexes.
- (2) Documents the functions.
- (3) Tests the functions.

You can find examples of “real” packages at <http://msp.org/jsag/2013/5-1/index.xhtml> and <http://www.math.ttu.edu/~lchrste/download/CodepthThree.m2>.
