

What Students Said About My Course

MATH 1351: Calculus I

Semesters Taught: Fall 2008; Spring 2009

Student Comments: The following comments come from anonymous student evaluations given at the end of the semester. I have resisted the urge to edit grammar, punctuation, or syntax.

- Higgins is a very fair teacher. She grades accordingly and ensures the learning of the material in all her students. She undoubtedly is one of the best professors I have had this fall.
- Dr. Higgins was a really good teacher that taught me a lot about calculus.
- She is an awesome teacher. End of story. Game over.
- Very enjoyable class.
- Keep posting those online notes!!! They are the reason I making a "B" because I am interpret it on my own time.
- Great teacher and wanted the students to full understand the subject.
- My instructor was one of the most knowledgeable and best teachers I've ever had.
- Dr. Siwatu was very good teacher – Is probably one of the better teachers at tech. Very good teacher would recommend her to anyone.
- Even though I struggled to pass this class, I would highly recommend her to everyone.
- Great teacher, very caring, made sure we understood the material and made it a little tough
- Mrs. Higgins is one of the best math teachers I've ever had!! She's really good at teaching & making sure everyone understands. She has personality which keeps the class entertaining!
- Teachers very well, great instructor, knows a lot and how to teach.
- I thoroughly enjoyed Dr. Higgins' class. She showed a knowledge of the information, but was able to be put in terms and descriptions we understand. I learned a great deal about how to teach from her.
- Very effective teacher.
- This teacher gave a GREAT foundation in Calc I that will help me throughout my college career. I give this class an A+!
- Raegan was a very good teacher. Ive taken this class twice now, and I will pass solely because she help me out. Math's not the easiest subject for me, but she was very helpful.
- Dr. Siwatu (Higgins) is likely the best math teacher I have ever had. I wish she was teaching Cal II & Cal III over the summer. She really wants her students to learn and understand rt.
- great teacher
- Good effective teacher
- Very good teacher
- She is the best math professor I've had here at Tech. She is awesome. I might take Cal 2 with her even though I don't need it. She is an amazing professor.
- It really was a pleasure being in your class. Thanks for being such a great teacher.
- Good teacher, present information to students well
- Greatest at actually teaching a course
- Amazing teacher! Loved her!
